1. You acknowledge that we must cooperate with the lawful requests of members of the police force or any other person duly authorised to investigate breaches of the law, and that we may disclose any information held by us in relation to your account to such authorities if compelled or required to do so.
2. You may by written request to us access to the personal information we hold about you, and we will grant you access unless we are required or permitted to refuse such a request. In particular: this Industry Code requires carriage service providers to inform their customers that they receive Calling Line Identification ("CLI") information in many circumstances where the customer would expect this to not occur; and
4. The company receives this CLI information in most cases which means we know the phone number you call us from when you make a modem or ISDN call to connect to the Internet even if you have a silent number or use 'per call blocking'.
5. If you have any enquiries about the handing of your personal information or would like to make a complaint, please contact our Privacy Officer by email surf@beachesnbn.com.au
